

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary, full of undocumented assertions, days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But what they are doing MUST be ILLEGAL! and if it's not then it should be! But I have to believe that indeed it is illegal but that you are not doing your jobs by allowing it!

Thank you.
